

Be visible. Stay connected. Help your clients prepare.

Power of Attorney responsibilities often lead individuals and families to questions that require professional support beyond education alone. The POA Caregiver Professional Network connects an education-first platform with qualified professional resources while giving participating professionals ongoing visibility and client-ready POA education they can share with the people they serve.

MEMBERSHIP INCLUDES

1 PROFESSIONAL DIRECTORY VISIBILITY

A public professional profile designed to help individuals and families identify professional resources by location and area of service.

- Professional Network profile
- State and service-area visibility
- Professional category placement
- Website and selected professional contact information
- Visibility throughout the active membership term

2 MONTHLY CLIENT EDUCATION

Ready-to-share POA education each month to help continue meaningful conversations with clients and families. You share it through your own communication channels.

- Client-ready educational content
- Ready-to-send email copy
- Suggested social content
- Relevant POA Caregiver resources when appropriate
